

Gampaha Education Zone – Second Term Evaluation – 2025

English Language – Listening Text

Grade 8

Years ago, there lived a boy named Albert Einstein. Albert was a strange boy. He had trouble in remembering something. Also, he was not very neat. It was a difficult job for him to tie his shoes; He knew how to play the violin very well. Albert felt happy only with his sister, Maja. He loved her very much. She looked just like him. They were as like as two drops of water. Albert didn't like school. He didn't like History and Geography. He would not learn any lesson by heart. He was interesting only in learning Arithmetic.

Grade 9

"Tom wakes up at 6:30 AM every day. He brushes his teeth and takes a quick shower. After breakfast, he leaves home at 7:30 AM to catch the school bus. School starts at 8:00 AM. After school, Tom goes to the library for an hour. He returns home at 5:00 PM. In the evening, he plays football with his friends. After dinner, he watches TV for a while before going to bed at 10:00 PM."
